

# Premier Partner in Architectural & Project Lighting Solutions

## Who We Are

Avenza International is a project-focused lighting company delivering architectural, decorative, and customized lighting solutions for modern developments. We partner with **developers**, consultants, and **contractors** to provide lighting that is **reliable**, **scalable**, and aligned with project requirements.

## What We Do

We support projects from early-stage coordination to final delivery, offering tailored lighting solutions backed by controlled manufacturing and disciplined execution.

## Who We Serve

- ✓ Real estate developers
- ✓ Architects & lighting consultants
- ✓ Main contractors & MEP contractors
- ✓ Hospitality, residential & mixed-use projects

## Why Choose Avenza

- ✓ Project-driven approach, not trading
- ✓ Customization without complexity
- ✓ Controlled sourcing & manufacturing
- ✓ Clear communication & accountability
- ✓ Long-term project partnership mindset

## Project Capabilities

-  **Lighting concept & technical support** (with consultants)
-  **Custom-built luminaires** to meet design intent
-  **OEM manufacturing** through audited partners
-  **Quality control**, testing & pre-dispatch inspection
-  **Structured lead times** & logistics planning
-  **On-time delivery** aligned with project schedules

## Product Categories
